ISSUES SPECIAL  
VENIRE TO FILL  
THE RUIZ JURY

Eleven in Box but Eight Are Subject to Challenge; May Try Jimenez, Rocha and Rodriguez This Term.

Only three jurors had been chosen for the trial of Rafael Ruiz, Sr., and his son, Manuel, when court adjourned yesterday afternoon until this morning. Eleven jurors were in the box, but eight of this number are still subject to challenge. Judge H. F. Reynolds issued a special venire for twenty-one men, who are to report at the court this morning.

The Ruizes are charged with the murder of Isidro Baca, who lived near them in the little village of La Canada. They were tried at the September term but the jury disagreed. The state's case against them is purely circumstantial. District Attorney Manuel U. Vigil and Assistant District Attorney Harry Cornell will prosecute while Judge W. C. Heacock will defend the Ruizes.

That there is a possibility of the three men who were indicted with Jose Medina being tried at this term became apparent with the changes of the panel. It was thought that they would not be tried at the March term because of the large number of twelve jurors through having heard the testimony against Jose Medina, who was convicted of murder in the first degree. If a sufficient number of new jurors are available toward the end of the term Medina's companions in the indictment may be placed on trial. The three are Angel Rodriguez, Guadalupe Rocha and Anastasio Jimenez.

COLLISTER GETS  
APPOINTMENT AS  
ASSISTANT CHIEF

Fire Department Officers Are Named; Harry Fredericks, Captain, Harry Dennis and Fred Renfro Lieutenants.

The line-up of the fire department was completed yesterday. Mayor Henry Winterfield appointed only Chief J. W. Burnett at the council meeting Monday night. The selection of officers in the department was left up to Chief Burnett and the fire committee.

The new line-up is:  
Assistant Chief—William Collister.  
Captain—Harry Fredericks, central station.  
Lieutenant—Fred Renfro, highlands station.  
Lieutenant—Harry Dennis, central station.

Chief J. R. Galucha, of the police department, yesterday assigned the members of his department to their beats. Thomas A. Summers is traffic policeman at Second street and Central avenue. Patrolman Charles Mainz continues to hold the "split" shift, doing duty as patrolman in the afternoon and as traffic policeman in the fore part of the night. Patrolman Pablo Lujan will remain on the day "side," while Francisco Apodaca and A. W. Yerke were detailed to the night squad. Sergeant N. M. Miller's duties were fixed by his appointment. He will work from 2:30 p. m. to 2:30 a. m., doing mounted duty in the afternoon and remain at his desk at headquarters at night. Capt. Pat O'Grady, of course, will continue as second in command.

Two city building inspectors were on the job yesterday and promise to remain on the job until the next council meeting. City Engineer Edmund Ross yesterday appointed Earl Bowditch as inspector. Inspector F. M. Morgan, who has held this office, refused to yield the post. Mr. Morgan was advised to hold the office until the council confirmed the appointment.

ALBUQUERQUE LAWYER  
MOVES TO EL PASO

Mr. Miller will be in Albuquerque frequently during the next few months, as it will be necessary for him to return and wind up the unfinished business in which he is engaged here.

BOYS AND GIRLS  
OF COUNTY WILL  
MEET SATURDAY

Juveniles Who Have Taken Up Industrial Club Work to Attend Important Session in High School.

On Saturday afternoon, beginning at 2 o'clock, there will be a mass meeting of boys and girls in the high school auditorium. All juveniles who have taken up the industrial club work in Albuquerque and in Bernalillo county are urged to attend. About 200 of the city boys and girls have taken up the work this year. The city board of education recently gave important recognition to the value of the work by appointing Mr. Bentley as a leader during the vacation period.

At the meeting Saturday it is desired that all parents interested in the work, and members of the various women's organizations of the city and county, be present and participate actively in the program.

Boys and girls who are not now interested in club work, but who wish to learn the methods and join an organization in their particular community, are invited to attend the meeting Saturday afternoon.

GREAT PLAY 'CARMEN'  
AGAIN AT THE LYRIC  
THEATER TODAY ONLY

Geraldine Farrar was at her best in "Carmen" at the Lyric theater yesterday. This great film production will be seen again at the Lyric today only. The following press notice from a Los Angeles paper will be read with interest.

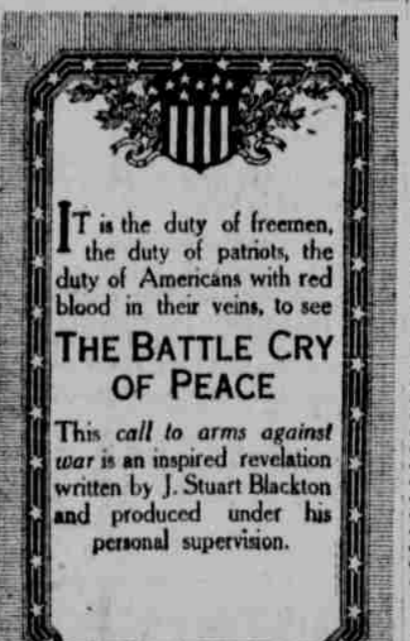

"For the filming of the bull fighting scenes of 'Carmen,' in which Geraldine Farrar, the celebrated opera prima donna, is appearing for the Jesse L. Lasky Feature Play company, a special permit was granted by the mayor of Los Angeles, and the occasion made the official public reception of Miss Farrar to the city.

"Twenty thousand people, all in Spanish costume, backed the sides of the arena. Miss Farrar was welcomed by the mayor, Charles F. Sebastian. Several bull fights were then given in her honor by the professional toreros before the filming of the scenes for the production which will be seen here. During the taking of these scenes, one of the bull fighters was tossed in the air by the bull and then thrown on the ground, apparently sore to death, before the eyes of all present. The other toreros drove the bull away and the professional landed to his feet apparently unharmed. He was brave enough to howl to the cheering thousands before falling unconscious in the arms of a companion."
